

Mill End Hotel Dog Charter

Here at Mill End we are delighted to welcome your pets and find it helpful for customers to be comfortable with our guidelines for staying with a furry friend (and to reassure guests who do not have dogs with them).

Dining - our restaurant is the only space we keep pet free. During meal times dogs can be left in your room or some guests prefer to put them in their cars. If pets do not settle and are noisy we may need you to return to your room to attend them. We have just 2 tables in the small bar where dogs can join owners for dinner which is offered on a first come, first served basis.

Lounges - we ask all dogs are kept on leads and remain on the floor rather than on furniture or laps. If your dog barks or yaps frequently please take them back to your room.

Our hotel offers comfortable relaxation and the management strive to ensure a peaceful atmosphere at all times so please consider this before bringing your pet to stay.
